BILL #10

Volunteer Bureau Incorporation

Whereas, presently the Volunteer Bureau has been incorporated into Student Government as a separate working function and

Whereas, there is a need for them to function separately, they also need to be internalized within an organization, and

Whereas, the only written such approval of their incorporation is a previous bill stated "incorporate area of student service into its Student Affairs area",

Therefore, be it resolved that the Student Volunteer Bureau presently be incorporated under the wing of ASG but function as a separate working service for the students, while it can also be overseen by the Administration of ASG.
